

## Liu Yubin (刘玉斌)

*Hefner Fellow: Lee Kuan Yew School of Public Policy, Singapore. Master of Public Administration Program, 2006/2007*

**Liu Yubin** holds a Bachelor of Arts in History and a Master of Arts in World History from Soochow University, Suzhou, China. Yubin also attended the graduate-level program at the Hopkins University–Nanjing University Center for Chinese and American Studies as a recipient of the 2004-2005 Nanjing University Scholarship for American Studies. The Hopkins-Nanjing Center is the largest educational joint venture between the United States and China.

Yubin's first job was on the Administrative Committee of the Suzhou New & Hi-tech District in the Policy Research Center, conducting policy studies and writing speeches. Then he was appointed Assistant Director of Fengqiao Town. Prior to attending the LKY SPP MPA Program, he worked in the Science and Technology Bureau of the district, overseeing venture capital and Research & Development activities.

Yubin's goal is to study more theoretical knowledge and practical skills in Public Administration and make new friends who are strongly interested in policy studies.

**COMMENTS:** *"The Hefner China Fund will help China to know more about the outside world, especially in the field of public administration and public policy. The fund provides me with a unique opportunity to study in Singapore. My experience at the National University of Singapore has been an important part of my growth as a Hefner Fellow in Policy studies. Learning about Singaporean history, economy, philosophy and politics has been an invaluable lesson for me."*
